History

The Norfolk County Agricultural High School Alumni Association has developed a brick “Walkway to the Future” on the school’s campus. The walkway has a practical use in that it leads from Kemp Hall to a natural stage, which was designed and constructed by students in 1999. The stage is the location of commencement exercises each year. Graduates follow the walkway as they leave Kemp Hall for the last time as students. It is, indeed, their “Walkway to the Future”.

By purchasing a brick in the “Walkway to the Future” you will be able to establish a lasting tribute to yourself, a graduate, family member or friend. Or you may wish to purchase a brick in memory of a loved family member or friend.

Proceeds from the purchase will enable the Alumni Association to expand its scholarships and programs which benefit the students of Norfolk County Agricultural High School.

Please join today in supporting this addition to the beauty and meaning of Norfolk Aggie’s campus.
