

September 11, 2020

Dear Aggie Family:

The staff, faculty, and administration members of our family join me in high anticipation concerning the reopening of the Aggie. The following information provides the detail of our **fully remote opening plan** that applies to every student:

- School begins 100% remotely beginning September 16-21, 2020.
- Group A (last name beginning with A-Lee) participates on campus in the hybrid learning plan September 22-25, 2020. **This group also includes the students who have chosen 100% on campus learning.**
- Group B (last name beginning with Leo-Z) participates remotely in the hybrid learning plan September 22-25, 2020.
- Every student participates remotely Monday, September 28, 2020.
- Group B will participate on campus in the hybrid learning plan September 29-October 2, 2020. **This group also includes the students who have chosen the 100% on campus learning plan.**
- Group A will participate remotely in the hybrid learning plan September 29-October 2, 2020.
- Students who have chosen the 100% remote learning plan will be required to participate in all days beginning September 16, 2020.

Teachers will be in contact with their classes prior to the opening date. This start allows educators and students an opportunity to establish a remote learning routine that would be implemented in the event of a COVID-19 related school shutdown, and provide the school an opportunity to troubleshoot any issues related to technology or best practices for student learning.

Thank you for your continued partnership as we strive for a safe, healthy, and vigorous learning opportunity for our students.

Ron Driskill, Ed.D.

Principal

Norfolk County Agricultural High School
